

TRINITY BAPTIST CHURCH
CHILDREN'S PROGRAMS AND SUNDAY SCHOOL

There is something for every child at Trinity! From Weekly Sunday School, to AWANA and Vacation Bible School, kids of all ages will be with their own age group with screened and qualified teachers who hold to a strict policy of safety and respect for every child.

Here's an overview:

Sunday School:

Sunday School runs concurrently with the School year- usually beginning the Sunday after Labor Day and continuing through mid-June when public school is dismissed for summer break.

Qualified teachers who are members in good standing and have been thoroughly screened by administrative staff are available for every age group. There are a minimum of 2 adult teachers for every class.

1. Nursery- care provided during Worship Service-there are toys and rocking chairs for our smallest ones!

2. Toddlers- care provided during Worship Service - there are games, songs, structured activities and loving teachers to care for these little ones and teach them about the love of Jesus Christ.

3. Pre-Kindergarten and Kindergarten- structured class with teachers who creatively present Bible stories, songs, games and crafts so these young ones can learn about the love of Jesus and how that love affects their lives at home and school.

4. Grades 1-3, and 4-6--classes where age-appropriate teaching and activities further acquaint children to the love of Jesus, how He helps us love our families and others, and how The Great Commission is carried out to tell others of Jesus' love.

5. Junior High and High School--classes where older youth learn how to integrate Bible truths and principles into their daily lives at school, at home, and as they grow into adulthood. Singings, music, plays, sports, are just some of the age-appropriate activities our older children enjoy.

AWANA--"A Workman Not Ashamed"

...of the Gospel of Christ, rightly handling the Gospel of Truth

AWANA is held on Wednesday evenings during the school year. Children are grouped with others their own age and enjoy programs of music, Bible memory work, and awards for participation--All to learn what the Bible is all about and how to use what they learn in their daily lives. Qualified adult teachers and leaders enthusiastically lead and direct children to excel at having fun while they learn.
